Global Opportunities December 2019

MIDDLE EAST/NORTH AFRICA — 330,000 children

FUNDS NEEDED: \$347,419

The untold story of the growth of radical Islam begins with the coercion, kidnapping and horrid abuse of children. Thousands of children are sold, abducted or recruited each year as future *jihadists* only to be systematically abused, sexually molested and shamed into a life of terror. But what if we could reach them before this happens? What if there were a concerted effort to train a generation of young Muslim boys and girls to know God, to find forgiveness in Jesus and to walk boldly in faith? What if they became “radical” for Jesus?!? God has opened HUGE doors for us to serve underground churches in 17 countries across these regions! Please pray for God’s blessing, provision and protection!

SUB SAHARA AFRICA — 1,118,000 children

FUNDS NEEDED: \$589,380

With God’s help, we are offering *Mailbox Club* Bible lessons to 1,118,000 boys and girls in 31 nations in Sub Sahara Africa through many different ministries and local churches! We trust the Lord for over 750,000 children to complete a course and receive a clear Gospel presentation, many for the very first time.

INDIA — LEADERSHIP BASED MODEL — 1 million children

FUNDS NEEDED: \$570,760

With over 1.2 billion people, India is the largest Hindu country in the world, and the third largest Muslim nation. We have HUGE demands for *TMC* Bible lessons! Last year, we supplied these Christ-centered lessons & training to over 370,000 “host families” who are connected to more than 31,000 local churches. These volunteers evangelized and disciplined over 1 million children right in their homes! Due to the nationals “putting skin in the game,” our costs were well below \$0.50 per child. This year, we are providing a second year of discipleship materials for those dear believers to invest in nearly a million children across India! After children come to know the Lord Jesus, we have many Christ-centered Bible lessons, teaching on the victorious Christian life. Please pray for this enormous undertaking for 2019.

EXPLORERS CLUB 2018 — 800,000+ children

FUNDS NEEDED: \$720,463

God has established a wonderful partnership with Evangelism Explosion to impact the world through CHILDREN REACHING CHILDREN for Christ! EE’s passion is to train millions of children to become evangelists throughout the world. *TMC*’s passion is to “make disciples” of these children and their friends. This year, with God’s provision, we are planning to print millions of Bible lessons to help make disciples of 800,000+ children in 30 nations, through the Explorers Club lessons. Imagine the world turned upside-down by child evangelists, rooted and grounded in the Word!
